

Registration Instruction

Welcome to Preserve Pro's online training. Preserve Pro has created its first online training course and e-textbook for preserving religious and family heirlooms. More courses and E-textbooks will be added in the future, so continue to visit us. Follow these simple steps to get started with your online training.

Steps:

1. Go to www.preserveproinc.net/moodle
2. You are now on the online training homepage.
3. Select which course or E-textbook you want to sign-up for by clicking on the title.
4. This will take you to the next page which is the login site.
5. Before taking any courses or purchasing any E-textbooks you must register by creating a New Account.
6. Follow the directions for creating a New Account.
7. Make sure you use a current email address.
8. Make sure your **Password** have at least 1 digit, 1 upper case letter, and 1 non-alphanumeric character.
9. After creating your account, check your email for further instructions.
10. Click to confirm your New Account.
11. After confirming your New Account you will be prompt to pay before signing up for the course.
